

Noviwall

The Elegant Display – Built into the Wall

NoviWall is an architectural electronic sign built into the wall. All installation cables are hidden. The patented lock system avoids un-authorized access to the sign.

Cosmosign is a solution that helps you guide your guests and visitors – easy.

On large displays, Way-Finder indicates which direction to go.

Using logos on the screen will improve the identity – and make the visitor feel welcome.

Display	Dimension
12"	338 x 276
15"	388 x 320
17"	442 x 364
19"	522 x 388
